

# CHILD SAFETY STANDARDS

To create and maintain a child safe organisation, organisations must have:

- strategies to embed an organisational culture of child safety, including through effective leadership arrangements
- a child safe policy or statement of commitment to child safety
- a code of conduct that establishes clear expectations for appropriate behaviour with children
- screening, supervision, training and other human resources practices that reduce the risk of child abuse by new and existing personnel
- processes for responding to and reporting suspected child abuse
- strategies to identify and reduce or remove risks of child abuse
- strategies to promote the participation and empowerment of children
