

Grade Prep Home Learning Term 2 2022
Weeks 4 & 5
Monday 16th May - DUE: **Friday 27th May**

<u>Reading</u>	<u>Writing - Learning Sounds</u>
<p>Please continue the reading activities that are inside your child's reader bag for the fortnight. Reading should take between 5 and 10 minutes each day.</p> <p>Please note that readers will be sent home on Mondays.</p> <p>Please also take the opportunity to read through the library books your child borrows from school. You may like to read this as a family in the afternoons or before bedtime.</p> <div data-bbox="819 603 1084 764" data-label="Image"> </div> <p><i>Parent signature:</i></p> <p><i>Date:</i></p>	<p>This term we are learning the sounds that letters make and exploring words to help us master our sounds. So far this term, we have explored the following letters and their sounds: Ee (as in elephant and egg) and Ll. Over this fortnight of home learning, students can show their learning by writing words or drawing pictures of things that begin with the sounds on the template provided:</p> <div data-bbox="1709 517 2072 766" data-label="Image"> </div> <p><i>Parent signature:</i></p> <p><i>Date:</i></p>
<u>Inquiry</u>	<u>Maths</u>
<p>In Inquiry, we are learning about different places that we have a connection to. This week, we would like you to think about your favourite park - you might even go and visit the park to help you with this activity. In your home learning book, draw a picture of your favourite park and label the picture with the features of the park and write a sentence about why you like going there. If you cannot get to a park, maybe you could draw and write about your backyard, or the school playground.</p> <div data-bbox="875 1177 1084 1362" data-label="Image"> </div> <p><i>Parent signature:</i></p> <p><i>Date:</i></p>	<p>In Maths we are learning about Patterns. Go on a pattern hunt around your house and draw pictures of the different patterns you can find in your home learning book. Can you name the pattern you see? Can you draw one of your own patterns?</p> <div data-bbox="1839 1075 2047 1356" data-label="Image"> </div> <p><i>Parent signature:</i></p> <p><i>Date:</i></p>

This Term in Inquiry, the Preps are learning about different places and our connection to these places. We will be focusing on farms later in the term. In Reading, students will be practising their alphabet letters and the sounds these letters make. In Writing, students will participate in experiences to build their vocabulary. They will have opportunities to orally share what they did during their experience and then write about it. In Maths, students are learning about patterns and the properties of different simple patterns. Students will be continuing patterns as well as making up their own. In Religion, students are learning about God's Creation and Stewardship.
