

YEAR 1 LEARNING AT HOME GRID

Tasks to be completed over the FORTNIGHT: Monday 29th May – Friday 9th June

The tasks shaded and in bold print are the ESSENTIALS for the fortnight. CHOICES are strongly encouraged and all tasks should be signed off by a parent.

Reading

Read your home reader each night and have an adult sign your reading log.

Before reading, discuss what can be seen on the front cover. Do a picture walk of the book before reading it. Encourage your child to 'read the pictures' and create their own story based on the pictures.

Read the book. Discuss the story by comparing the differences between what happened in the text and the story your child predicted/created.

Maths

In Maths, we are learning about chance. In your home learning book, write a statement that matches the sentence stem.

It is likely that...
It is unlikely that...
It is certain that...
It is impossible that...

Writing

In Literacy, we have been building the students capacity to write an information text. Watch a video or read a book about an animal. Record as many facts about the animal as possible.

Use the following headings to help organise the information.

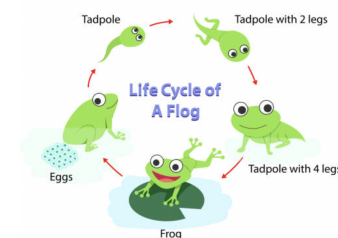

Appearance (what it looks like)
Diet (what it eats)
Habitat (where it lives)
Behaviour (what it can do & how it moves)

Inquiry

In Inquiry, we are learning about the life cycle of living things. Discuss the life cycle of a frog with your family. Draw the life cycle of a frog in your home learning

Date:

In Literacy, we are learning about information texts. In Maths, we are learning about chance. In Inquiry, we are learning about living and nonliving things. In Religion, we are learning about God's creations.

Please send a box (or two!) of tissues to school with your child for our class to share.
